

# Plugged In

*A free speaker series focused on healthcare and disaster preparedness for Florida's Special Needs population*

Join us as Carol Stachurski, BSW of Disability Rights Florida shares the advocacy role of her agency, discusses assistance with referral sources at discharge, and answers your questions about caring for the medically vulnerable.

January 11, 2018 from 9:30 to 11:30 a.m.

**Florida Department of Health**

Tampa Branch Laboratory (USF Campus)

3602 Spectrum Boulevard

Tampa, FL 33612
