

Hospital Emergency Response Team (HERT) Training

To attend the HERT training you will need to create a Student Identification Number (SID) before you can sign up for a class. *After you have registered it is strongly recommended to change your password to something you will remember.*

After you have registered you can sign up for one of our training sessions, you will need to log-in with your SID. You will need to click on Apply for Training.

On the training page the right side allows you to enter a promo code, this code is listed below under highlighted in blue.

There is no cost to attend this training class, each attendee that successfully completes this class will received a FEMA Training Certificate. Refreshments for morning and afternoon will be provided, lunch will be on your own.

Websites
