Emergency Preparedness for Dialysis Facilities

June 3, 2019 from 2:00PM-3:00PM EST

On behalf of the Georgia Department of Public Health's Dialysis Workgroup, the Networks invites you to attend a Webinar to review Emergency Preparedness for Dialysis Facilities. The Georgia Department of Public Health Dialysis Workgroup consists of healthcare officials, emergency management leaders, and dialysis facilities from across the state. The mission of the Georgia Department of Public Health Dialysis Workgroup is to insure continuity of healthcare for dialysis patients by increasing preparedness planning, situational awareness, and access to critical medical care before, during, and after emergent events.

Event Speakers:

- Fe Smith, State of Georgia, Department of Community Health, Healthcare Facility Regulation Division
- Alexandra R. Benoit, Vulnerable Populations Coordinator, Georgia Department of Public Health
- Michele McMahon, Healthcare Coalition Facilitator for Georgia Region D Healthcare Coalition
- Hank Wilson, Emergency Coordinator, District 8-2 (Albany, GA)
- Georgia Emergency Management and Homeland Security Agency

Presentation Objectives: By the end of the presentation, attendees will be able to:

- Describe the structure and benefits of working with your local Healthcare Coalition
- State the EMA role in Emergencies and Disasters and the emergency resources available to facilities in GA
- Summarize key areas the state surveyors review to ensure facilities are compliant with the CMS Emergency Preparedness Rule
- Strengthen your facilities Emergency Management Plan through participation in a critical asset survey
