Disaster Response & Recovery Mental Health First Aid Training

This training was designed to provide emergency responders, UF/IFAS extension agents, and community members who are active in natural disasters with the skills needed to address mental health needs and issues following disasters. The aim is to create mental health awareness and encourage proactive and informed decision making in individuals before, during, and after disasters. Registration is free and open to the public, so sign up today!

Hernando County: Feb. 24-25
